

# Discovery Preproposal Conference

---

## Purpose

- To provide a direct interface to the community before NOIs and proposals with the goal of providing AO clarification to assure best quality proposals

## Outcomes

- All slide sets will be available for download next week from <http://discovery.larc.nasa.gov/discovery>
- A transcript is also being prepared and will be posted
- Q&A: All questions submitted by 4/20 will be answered today and posted
- Future Q&A will be added each Wednesday and Friday

# Discovery Preproposal Conference

---

## Contacts

- Discovery Program AO Q&A: [sniebur@hq.nasa.gov](mailto:sniebur@hq.nasa.gov)
- Proposal submission mechanics and web: [proposals@hq.nasa.gov](http://proposals@hq.nasa.gov)

## Future

- Any future changes to the AO or supporting documentation will be posted at <http://discovery.larc.nasa.gov/discovery>; AO mods will also be posted at [http://research.hq.nasa.gov/code\\_s/open.cfm](http://research.hq.nasa.gov/code_s/open.cfm)
- Note particularly DPL Change Log for any updates
